Dear Colleagues,

Following the tradition of previous years, we cordially invite **three undergraduate students** and one accompanying tutor from your institution to attend our

Annual Student Research (TDK) Conference on Medicine taking place between **17-19 November, 2021 in Szeged, Hungary.**

Participants should upload a short abstract of their presentation (please find the abstract sample attached) in English **between 4-13 October, 2021** to the conference website (<http://tdk.med.u-szeged.hu/indexe.php>).

The abstract should contain the following parts: Introduction, Methods, Results and Conclusions. The word count can not exceed 250 words (excluding the names of authors and supervisors, affiliations and title). No more than 2 authors and 2 supervisors are allowed.

We would like to emphasize the importance of the formal requirements and also keeping in mind the deadline so that the program booklet of the Conference can be edited appropriately.

There is no registration fee for the Conference. Some meals and accommodation will be provided by the Organizers free of charge.

If you have any further questions, please contact the conference secretariat at: tdk.aok@med.u-szeged.hu.

Looking forward to welcoming students from your University.

Yours sincerely,

Prof. Zoltán Rakonczay, Chair of the Conference
Prof. György Lázár, Dean
